Wetlands Reserve Program

Circular No. 50

Attachment 1

Sample Letter of Tentative Acceptance

Dear Landowner,

This letter is being sent to inform you that your application for the Wetlands Reserve Program (WRP) has been tentatively accepted for funding by the Natural Resources Conservation Service (NRCS). Tentative acceptance means that NRCS, with your cooperation, will move forward with the WRP enrollment process. The next step is completion of an appraisal on the subject property. This appraisal is part of the process **to determine** the easement value of the property. **When** the appraisal is complete and funds are available, the NRCS may make a formal offer to purchase an easement on your property. Please keep in mind that this tentative selection is not a promise of funding or enrollment in WRP.

If you no longer wish to be considered for WRP at this time, please send a letter to the address listed above or call _____, **State WRP Coordinator**, and inform NRCS of your decision. If you wish to continue the process, no further action is required at this time. A representative of NRCS will contact you to schedule the appraisal.
